DEGLI STUDI
DEL MOLISE

ADDENDUM TO THE CALL FOR APPLICATIONS - PH.D. COURSES – XXXVIII CYCLE – UNIVERSITY OF MOLISE, ISSUED BY THE RECTOR WITH DECREE N. 695 OF 22 JUNE 2022

THE RECTOR

CONSIDERED Ministerial Decree no. 226 of 14 December 2021 containing the “*Regolamento recante modalità di accreditamento delle sedi e dei Corsi di Dottorato e criteri per la istituzione dei Corsi di Dottorato da parte degli enti accreditati*”;

CONSIDERED the Decree M.U.R. n. 247 of 23/02/2022 with which the amount of the scholarship was determined, for the attendance of PhD courses, in € 16,243.00 gross of social security charges borne by the percipient;

CONSIDERED the Regulations on the PhD of the University of Molise, issued by Rector’s Decree no 256 of 10 March 2022;

CONSIDERED The Call for admission to PhD courses, XXXVIII cycle, Academic Year 2022/2023, of the University of Molise, approved by Rector’s Decree no. 695 of 22/06/2022

CONSIDERED Annex A to the aforementioned call for proposals for the PhD course in Agricultural Technologies and Biotechnology DOT1339335;

CONSIDERED that art. 2, of the announcement in question reserves any changes, updates or additions - made known exclusively through publication on the University's website through publication on the UNIMOL <https://www2.unimol.it/dottorato/> web page - if the number of places with scholarship is increased as a result of funding available after the issuance of the announcement itself provided that the terms of scrolling of the rankings are respected;

CONSIDERED the agreement signed by the legal representative of the Institute on Air Pollution of the National Research Council, received after the publication of Rector’s Decree no 695/2022, with which the aforementioned body undertakes to co-finance an additional grant for the PhD in Agricultural Technologies and Biotechnologies;

CONSIDERED the D.R. n. 781/2022 relating to the co-financing of an additional scholarship for the PhD in Agricultural Technologies and Biotechnology DOT1339335 relating to the co-financing of the additional scholarship referred to in the previous point;

CONSIDERED whereas it is necessary to proceed with the appropriate integration of the posts for PhDs in "Agricultural Technologies and Biotechnology DOT1339335" given the availability of additional scholarships;

CONSIDERED the need and urgency to proceed promptly to allow the consequential fulfillments;

CONSIDERED art. 18, paragraph 2, letter d) of the Statute according to which the Rector, in case of need and urgency, when it is not possible to proceed with their timely convocation, may adopt acts of competence of the Academic Senate and the Board of Directors, submitting them to ratification by the competent body in the immediately following session

DECREES

Single Article - For the reasons mentioned in the introduction, the Public Competition Notice for admission to the PhD courses of the XXXVIII cycle, Academic Year 2022/2023, based at University of Molise, issued by Recto’s Decree no. 695 of 22/06/2022, is integrated and amended as follows: Annex A, relating to the PhD in "Agricultural Technologies and Biotechnology DOT1339335", *curriculum* Food Science, Technology and Biotechnology redefines the number of places with scholarship, increasing the available places by 1 in accordance with what is indicated in the introduction, with the following theme: "*The use of emerging biomass in the ecological transition process: characterization and comparison of environmental impacts compared to traditional and renewable energy sources*".

THE RECTOR
Prof. Luca BRUNESE
