<p><i>If admitted, the research project that will in fact be carried out will be subsequently defined and approved by the Program Faculty Board after the start of the PhD Program.</i></p>	<p>side and Molise side). An infographic mapping with which to report any episode that has occurred - from the destruction of the villages for defensive reasons - in support of a doctoral thesis dedicated to the historiographical knowledge of the events (including military) connected to the Gustav Line and which includes in a monograph the history and events of the Gustav Line (1943-1944), of the population living in the territory crossed by the line itself and of human, social, political and economic events.</p> <p><b>Interview</b></p> <p>The oral exam and interview (score up to a maximum of <b>40/100</b>) will consist of the oral presentation of the research proposal and a discussion of the technical and scientific issues related to it. Knowledge of the English language will also be evaluated. Candidates can carry out the presentation and discussion in English.</p>
<p><b>Assessment criteria and ranking of the candidates</b></p>	<p>The evaluation of the qualifications and the project proposal is preparatory for admission to the oral exam. The results of the first evaluation phase will be published, as soon as they are available, on the University website at <a href="https://www2.unimol.it/dottorato/">https://www2.unimol.it/dottorato/</a>.</p> <p>To be admitted to the oral exam, the candidate must report a score of not less than 10/100 for the qualifications and 15/100 for the project proposal attached to the application.</p> <p>The maximum score achievable by each candidate is 100/100, based on the following breakdown:</p> <p><b>20/100 Titles</b></p> <p><b>80/100 for the project and the oral</b>, of which:</p> <ul style="list-style-type: none"> <li>• 40 / 100 project evaluation attached to the application</li> <li>• 40 / 100 oral presentation and discussion of the project attached to the application.</li> </ul> <p>It is specified that in the oral exam candidates must demonstrate adequate knowledge of the English language, comparable to B2. The oral exam is not limited to the examination of the research project presented, but is largely based on the evaluation of the general disciplinary knowledge and research aptitudes of the admitted candidates.</p>
<p><b>Merit ranking</b></p>	<p>The results will be published, as soon as available, before the oral exam, on the website <a href="https://www2.unimol.it/dottorato/">https://www2.unimol.it/dottorato/</a>.</p> <p>Candidates who have reported a total vote of at least 50/100 points will be included in the overall merit ranking.</p>
<p><b>Interview calendar</b></p>	<p>Date: <b><u>12 December 2022 at 10:00 a.m. (Rome Time)</u></b>; the agenda of the interviews will be defined by the Selection Committee depending on the number of candidates admitted to oral exam.</p> <p>Place: - <b>in presence</b>: Room Modigliani; Department of Economics, University of Molise, De Sanctis street; 86100 Campobasso (CB), ITALY.</p>
