

THE RECTOR

- CONSIDERED Law no. 210 of 3 July 1998, in particular art. 4, laying down rules on PhD;
- CONSIDERED Law no. 240 of 30 December 2010 and, in particular, Article 19;
- CONSIDERED Ministerial Decree no. 226 of 14 December 2021 containing the "Regulation on the procedures for the accreditation of Doctoral Courses and Doctoral Courses and criteria for the establishment of Doctoral Courses by accredited bodies";
- CONSIDERED the Regulation on PhD of the University of Molise, issued with D.R. 256 of 10 March 2022;
- CONSIDERED the announcement, approved by D.R. n. 668 of 08/06/2023, published in the University Register with Rep. n. 394 of 08/06/2023, with which a public selection was announced for admission to the PhD Courses relating to the XXXIX cycle, with administrative headquarters at this University and the related notice, published in the Official Gazette 4th Special Series - Competitions and Exams, n° 47 of 23 June 2023;
- CONSIDERED Annex A to the call for proposals relating to the PhD Courses in Law and Economics (DOT224STCK) and in Cultural Heritage: memories, civilizations, transitions (DOT22FT9TS), integral parts of the above call;
- DETECTED that in the same annexes the following is reported: "Candidates who have obtained an overall score of at least 80/100 points will be included in the overall merit ranking";
- LISTEN the Co-ordinators of the respective PhD Courses in Law and Economics (DOT224STCK) Prof. Francesca di Virgilio and in Cultural Heritage: memories, civilizations, transitions (DOT22FT9TS) Prof. Elisa Novi Chavarria, who transmitted to the PhD Sector respectively with Note Prot. n. 22463/2023 and with Note Prot. 22117/2023 annexes A of the related PhD Courses;
- CONSIDERED the manifest illogicality for the minimum threshold set in 80/100 points as all candidates admitted to the oral with a score lower than 40 would not reach the aforementioned minimum threshold despite achieving a maximum score of 40 points
- THOUGHT it is therefore appropriate to revise Annex A to the call for proposals relating to PhD courses in Law and Economics (DOT224STCK) and in Cultural Heritage: memories, civilizations, transitions (DOT22FT9TS)
in the exercise of self-protection powers
