124	Zeb	Sarwar	19	12	No	-

The oral exam will be carried out according to the following timing:

- Maximum total duration of the interview: 20 minutes
 - Step 1: Candidate identification (1 minute)
 - Step 2: Oral presentation of the research proposal (maximum 10 minutes)
 - Step 3: Discussion and answers to Committee questions (5 minutes)
 - Step 4: For candidates who do not present in English, language verification (2 minutes)
 - Step 5: Committee activities and transition to the next candidate (2 minutes)

The presentation of the research proposal can also take advantage of the infographic support by dedicated software (PowerPoint and similar) whose functionality is up to the candidate. Candidates are convened at 10:30 am Italian time on September 11th, 2023, room SRC - 1.40, 1st floor at the Department of Bioscience and Territory, Pesche (IS) for the extraction of the letter that will determine the order of the oral exam call.

Candidates in presence mode that wish to use the IT support are invited to upload their presentation on the Department computer by 10:20 am Italian time.
